VERNON S. BRODERICK
U.S.D.J. 3/5/2025

Mr. Cohen is permitted to travel Puerto Vallarta, Mexico from May 25, 2025, to May 31, 2025.

Re: *United States v. Darryl Cohen, et al.*, 23 Cr 134 (VSB)

Dear Judge Broderick:

I write to respectfully request the Court's permission for Darryl Cohen to travel from his residence in Los Angeles, California to Puerto Vallarta, Mexico. Mr. Cohen hopes to travel to a family timeshare in Puerto Vallarta, Mexico from on or about May 25, 2025, to May 31, 2025, with his family. Mr. Cohen can retrieve his passport from Pretrial Services on May 24, 2025, and return it to Pretrial Services on June 1, 2025, or on a weekday around those dates at the direction of Pretrial Services. Mr. Cohen will provide Pretrial Services with his full itinerary, including travel dates, and the location of his stay, consistent with prior Court-approved international travel.

Pretrial Services has no objection to this request and the government takes no position. Mr. Cohen continues to remain fully compliant with the terms of his pretrial supervision. Under the terms of his release, Mr. Cohen must remain within the Central District of California, the District of Nevada, the Southern District of New York, and the Eastern District of New York, with travel permitted between these districts.
